I'm a natural!

Kiara has that sort of long willowy body that so many women dream about. What can you say? Some girls get lucky and we're glad. She's perfectly proportioned and has two of the most gorgeous breasts that we've ever seen. When you see this exciting siren standing with the innocent eyes... gently tugging her panties down and exposing a sexy tattoo... well, you just feel your heart start accelerating and you want to jump right into the page and start loving her, so to speak. She's so hot, well, we all had some trouble controlling ourselves!

Two Guys Go Nicely Into Me!

I love to give head and get analized. Even though it's really for the guys, I like to pretend that I'm doing it for me and that really gets them off. But either way, I don't think they really care who likes it more as long as they get off on it. While I like girls and having sex with them, my body wants a cock and the strong man-muscles that I can lose my sex in.

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

TROPICAL OILS

Last winter, I decided to go down to Key West for some sun, fun, and wild sex with some deeply tanned, uninhibited women!

Almost as soon as I stepped off the plane, I hit the gay bars down by the beach. There were a lot of sexy women there, though most of them seemed to be tourists, like me. I'd really been hoping to score with someone who could show me the sights only the natives knew about.

I'd been at the bar for about half an hour when a woman finally approached me and offered to buy me a drink. I liked the look of her, maybe because she seemed a little rough and dangerous with her leather vest and strategically shredded white jeans. Her eyes reminded me of deep, dark water.

We made some small talk, and finally she asked if I wanted to go somewhere else. "Someplace where we can have some real fun," he said.

"Sounds good to me," I said, and we set off walking. Dina, as she'd introduced herself, led me past the noisy main drag and along a few side streets. Finally she led me up a set of concrete steps and into what seemed to be the garage of her modest stucco house.

Dina lit a few candles, then shed her clothes and turned to face me again. I let my eyes travel along her lean, bare thighs, gleaming in stark contrast to the outline of the black leather strap around her waist. The strap was studded with small silver beads, and a long

pink dildo protruded just below the buckle.

After she had helped me out of my own clothes, she motioned to a mesh hammock that hung from two hooks on the ceiling. I eased into it sideways, clutching the ropes for balance, then opened my legs. Dina moved forward, wedging her hips between mine, and I let her nudge that big plastic cylinder against my pussy.

I'd never had much practice with that kind of thing, outside of a few little vibrators I used to get myself off when I'm alone, but Dina was obviously nowhere near as inexperienced. She really knew how to steer that plastic cock, using both her hips and her rippling thigh muscles to control it. She skidded it up and down my wet groove a few times, tantalizing my clit with the big, round head. Then she finally slid it inside me, pushing it down so deep that I felt the pressure stimulate my back hole at the same time!

My thighs were wrapped snugly around her as she pumped up and down, filling me with hot plastic. I felt my whole body tremble as she increased the speed and force of her strokes. She smiled at my breathy cries of pleasure, slowing her movements to draw out my orgasm.

I began to rock back and forth

MY THIGHS WRAPPED SNUGLY AROUND HER AS SHE PUMPED UP & DOWN, FILLING ME WITH HOT PLASTIC.

on the hammock, holding Dina clamped in my legs, holding her against me to ensure a constant pressure both on my protruding bud and in my hole. Finally I gave one last, powerful shudder, arched against her with one violent pushing motion, and felt the warm burst of heat ignite behind my stimulated clit. I heard myself cry out, once, piercingly, then quivered one more time and went limp in the hammock.

Dina let me rest a while, then disappeared from the room. I was wondering if she'd just blown me off when she came back into the room with a matching harness and dildo for me. She maneuvered the toy over towards me and after she strapped it around my waist, she got up on the hammock and guided my dildo right up against her hot, wet pussy. I slowly pushed it in and began fucking her.

Who needs tacky seashell souvenirs and towels that say "Key West is for Lovers"? Dina spent the rest of the night giving me a lesson in passion I've never forgotten!

CUNT-STRUCTION SITE

"You'd better watch it, Sally Mae, or you'll be fired before the day is out. Now you get up to my office this instant." That was our tough lady foreman, Lucinda, talking.

All my co-workers stood around me, smirking and whispering, while I blushed furiously and felt the rest of me turn the same color. I tossed down my shovel and followed Lucinda away from the construction site and up the dirt path to her small office trailer.

While we walked, I couldn't help stealing an extra look at her steely ass, perfectly framed by the tool belt that hung from her slim hips. Her long blonde hair bobbed from side to side as she walked ahead of me, and her round tits bobbed in the opposite direction.

We walked into her office, and she turned to face me. The door slammed shut, automatically locking. Her pretty mouth looked ready to bawl me out again.

I took a deep breath and spoke before she could. "Lucinda, I did not deserve that kind of treatment in front of all those workmen. You know how they hate having

a woman around!" My chest was heaving, and my cheeks flamed with excitement—the excitement of finally being alone with her.

Her green eyes raked over my slight frame. "Come here, Sally Mae, and let me explain something to you. You know I love having you around here." Before I could respond, she reached out and pulled me close to her. Her hand gently stroked my shoulder-length hair. "But I just had to scream at you, darlin', or else they'd know how much I like you. They can already guess that I want to feel your pretty body next to mine."

After that, I was in her arms, holding her tight. Her hand undid my own heavy belt and slid under my jeans' waistband. She pulled my wet panties into my horny clit and rubbed it up and down until I felt a stormy orgasm begin to build inside me.

Stepping back for a moment, I unzipped my pants to give her an open invitation to my cunt. In a short time, we lay on the dusty floor kissing and pawing each other. Her body was hard and muscled. Her small, firm tits molded into my grasp.

"Oh, my, are you sexy, Sally Mae. You've just been driving me crazy for weeks!"

"I want you to lick my cunt, Lucinda. Make me come!" I murmured, losing control

and pushing her head between my legs.

Lucinda kissed her way down my torso and down my taut abs all the way to my doused pubic patch.

IN A SECOND, HER TONGUE WAS UP MY SLIT, EXPLORING THE DEEPEST REGIONS OF MY CAVE.

She pulled on my hairs gently with her teeth, nudging my outer lips open with her chin. My pelvis lifted into her face, and she rubbed her beautiful face all over my pubes.

"Oh, Lucinda! Oh, baby!" I said in a husky whisper.

She mumbled something into my cunt and then dived in for real. In a second, her tongue was up my slit, exploring the deepest regions of my cave. Each tender space of skin went wild with the pleasure of her adroit tongue-fucks.

In the meantime, I lifted my knee into her clit and rubbed it in a slow, circular motion. She pushed down on me, increasing the friction. Her luscious tits mashed into my hip bones, and she licked me even deeper, increasing the speed

of the knee-to-cunt action.

Soon after that, we both started to come. We groaned, twisting our sweaty bodies. I kept lifting myself into her face, and she kept rubbing against my knee until she'd finished. She drank in every drop of my love-juice.

We both lay back and promised to keep our relationship to ourselves, especially when we were on the construction site with the guys. But from then on, she built up orgasm after orgasm inside me whenever she could.

Sally Mae, Alabama

GNARLY PARTY GAMES

I was at a party with a big group of guy friends and girl friends and my wife, Kaiya. I'm a shy guy, but we ended up all playing a game of dares with one rule. The dares had to be done, no backing out. I didn't like the idea, but after an hour of funny and silly things, drinking games and stuff, things became a little spicy.

First, the guys were dared to reduce themselves to boxer shorts, only which the girls loved. I kept catching my wife staring at this other guy's cock bulge which was clearly large extra large. Kaiya was dared to kiss one of the guys which I didn't like the idea of, but it was only a dare so I didn't really mind but it went on for a good minute and I started to get annoyed – and jealous.

Other girls were dared to have a feel of all our cocks, one dared to kiss them all... some of the guys started to get hard and the guy with the extra large cock, his cock started to poke out a bit as it got hard. Kaiya moved closer to him much to my disliking. As dares went on, my wife was dared to suck one of the guys cock for 30 seconds. I argued against it but it had to be done. So I'm sitting

watching her suck an other guy's cock in front of a group of friends. The worst dare came, when she was dared to get fucked for minute by this guy with the massive cock. I was upset as I watch her expose her boobs and pussy and gently sit on this huge cock as all these guys were watching. They ended up fucking for five minutes since they didn't stop.

I didn't think she would have ever get naked in front of them, never mind cheat on me as get fucked while I watched. Then she was dared to get her asshole poked by me which I did with pleasure as I stroked my cock with the other hand. It felt odd with people watching and other guy's rubbing their cocks while they watch Kaiya expose her asshole for everyone to see – and be poked.

So the dares ended and we argued a little, then went back into enjoy the party. I got really drunk and passed out in one of the bedrooms. I woke through the night so hungover, and heard some people downstairs still enjoying themselves. But I also heard people having sex next door, the moans and groans, and bangs. I started to jerk off a little.

They were still fucking thirty minutes later so I went downstairs to see who was still up, but couldn't see Kaiya. I went back

upstairs and gently pushed the door open to another bedroom to see her getting fucked in the ass by the guy with the huge cock.

Somehow she seemed to get the worst of the dares, everyone else's were milder, but for some reason she was getting all these dirty dares. If we go to another party like this I may have to find

SHE WAS DARED TO GET HER ASSHOLE POKED BY ME WHICH I DID WITH PLEASURE AS I STROKED MY COCK

a chastity belt to put around her. Or maybe I'll leave her home and be just one of the guys.

my GIRLFRIEND AND THE HORNY MASSEUSE

After my girlfriend discovered this new spa, she started going there as often as she could. She enjoyed the facials and especially loved the massages she would treat her self to. I teased her about the Italian man, Vitto, who massaged her a few times asking if he was offering her sex. She assured me that he was very professional. I said she should ask him if he made house calls. He admitted he did work outside the spa but only at his house. He charged the same fee but said no tip would be necessary due to the fact he would not have to share the fee with the spa. Vanessa thought about this for a while and took him up on his offer.

She arrived at Vitto's house on a late Monday after work. He lived only two towns away in a private neighborhood. Being south Florida, it was a very warm evening. He greeted her at the door wearing his usual black T-shirt and pants. He was pretty friendly and very professional about it. Vanessa followed him and was lead to his back screened in patio. His yard faced a large lake. Many tropical plants surrounded each side hid-

ing a six-foot fence. The sun was starting to set so the evening light was reflected off the water. Vanessa found his set up very erotic when she discovered his massage table out side in the patio. He said it was very private here and he enjoyed the natural warmth of the outdoors. Maybe he saw a bit of hesitation on her part.

He reached over and rested one of his strong hands on her shoulder and started a gentile rubbing. She looked into his soothing dark eyes and felt compelled to follow his instructions. He asked her to get undressed and pointed to the table, he left her alone to get her a drink.

Vanessa was getting a wicked feeling as she removed her clothes. The table had a fresh sheet on it but no towel was around. She just expected to find some towels like at the spa and had not even looked until she was standing naked by her pile of clothes. Feeling a little awkward she guessed he might have planned it this way. She always felt he was trying hard not to look at her during the massage sessions in the past. A few times she heard him gasp as she

turned over under the towel, sure he had seen her 36D breasts and trimmed pussy. Well, she figured, what the hell. No sense in stopping now. She crawled onto the table and onto her flat stomach to wait for him.

Her masseuse friend appeared soon with her drink and a pile of towels. He smiled and apologized sheepishly, for not having them out sooner. Vanessa said sarcastically 'I bet you are!' She found his European accent and laugh sexy and did like the naughty idea of being completely exposed to this very good-looking man. He handed her the blue bottle and complemented her on her round ass.

Stepping over to the table he patted her butt softly. He quickly poured a generous amount of warm oil all over her soft skin. Vanessa felt the oil puddle in the small of her back. His hands soon started a gentle spreading of the oil. His hands captured the oil gliding it up to her shoulders and swiftly back down over her ass, thighs and legs. He covered her feet and swiftly covered her entire body with a coating of warm oil.

She rested her face through the table opening and enjoyed the sensation of his very strong hand

covering her body. A gentle warm breeze started blowing up from the table sending a shiver up her spine. She was not used to being so well coated with oil. When at the Spa she was always covered with a towel over her ass, which blocked the warm fluid that now ran slowly between her legs. She was opening her legs a bit so the warm fluid would not just sit in the slit of her wonderful ass.

He was doing her hands and pulling her arms away from her body. The cool night air tickled her half-exposed breasts. He seemed to be paying more attention than usual with her arm pulled away. She felt his eyes trying to get a glimpse of her large breasts. An evil thought popped in her head and Vanessa leaned up to reach for her drink. Watching him swallow hard as her round boobs stood out was worth the maneuver. She tilted her head back and took a long drink. He stood watching her boobs sway in their heaviness.

A few blue drops run down her throat and along her right breast. She enjoyed the show she put on just to see his reaction. As he walked back down to the foot of the table he removed his shirt saying it was

pretty warm tonight. Vanessa felt very comfortable with the cool air blowing against her oiled-up body.

Vitto then started working on her feet. He lifted her calf and flexed her leg. He did some deep tissue work on the calf and was slowly pulling her leg away from her body. She felt him straighten her leg. Then holding her leg straight, he rotated her hip joint.

As Vanessa rested her face through the table hole she felt her pussy becoming very wet as he pulled her leg gently away from her midline. Her pussy was actually opening up and feeling the cool night air play against her outer lips. She could almost feel the moistness of her juices as they separated from her sticky pussy skin folds. He let her legs spread as he lifted the opposite one. After doing the same hip rotations, she felt her legs spread out very far with her pussy fully exposed for this European's view. He then went to her feet and was using a very light touch, which always made her excited.

The sensations of hot oil, cool breeze, sexy strong hands were too much for her. She felt herself getting very wet down there. His hands glided up her leg and brushed against her pussy lips, which were always shaved. He ran his hands back down and now she was sure it was an intentional little feel on his part. His fingers boldly touched her pussy lips and lingered for a moment, long enough to cause a gasp from Vanessa.

She felt herself getting very wet down there. His hands glided up her leg and brushed against her pussy lips...

He leaned close to her ear and in his accented voice asked if everything was OK? Vanessa moaned a low reply that he was doing just fine. Her breathing was heavy and Vitto seemed to be testing her reaction to his touching of her pussy.

He seemed to have passed the test...

His fingers now played along the top of her spine. Slowly he pulled his hand down her spine to the center of her back. As one hand would run down her spine and stop, another would begin at the top and start the slow process again. Applying heavier pressure along her spine, he slowly reached further and further down towards the round firm mounds of her fine butt.

She was now wondering how far he would go when she felt his fingertips press along her ass crack. While one hand was slowly moving around her perfect heart shaped ass, the other hand was working that way to replace it. His fingers found her small anus and she cooed as he gently ran a finger around it. She felt his thumb apply direct pressure on her hole with firm pressure but he did

not push it in her ass. Keeping his thumb there against her hole as his other hand graced her spine sending shivers along her nervous system. She tried to control herself as her body finally spasmed and she could finally relax.
